          SC 29702, for Waiver of COCOT            ) REQUEST  
          Guidelines.                                )

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Thomas F. Goforth, Principal of Blacksburg High School. The request is to waive the COCOT guidelines to limit conversation time to two minutes on all payphones located at Blacksburg High School in Blacksburg, South Carolina.

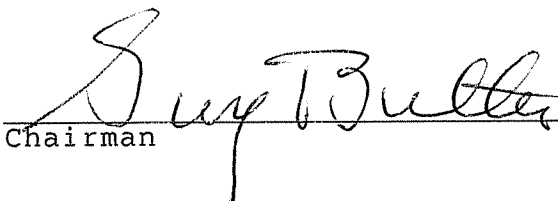

We have examined this matter, and we do not believe that Mr. Goforth has stated just cause for the two minute limitation. We therefore deny the request.
